Summary

CEO-only fictional acquisition opportunity notes for strict user-specific permission testing.

Fictional Target

- HelioOps is a fictional workflow automation vendor under early evaluation.
- The fictional valuation range is USD 6.5M to USD 8.0M.

Evaluation

- Product fit is strongest around reporting automation and internal ticket taxonomy.
- Key risk is customer concentration in one regional segment.

Handling Rule

- Only user u006 with CEO role can access this document. Other users must not see title, target name, valuation, path, or summary.
