- Allowed users: none

## Summary

Executive restricted risk register covering legal, finance, security, and customer risks.

## Risk Categories

- Finance risk includes delayed renewals and budget variance.
- Security risk includes credential compromise and privileged access misuse.
- Customer risk includes reporting automation delays and support handoff issues.

## Controls

- Finance reviews budget variance monthly.
- IT reviews privileged access logs after break-glass use.
- Customer Success reports escalation themes to executives.

## Retrieval Behavior

- Executives and the CEO can receive risk details. Employees should receive public summaries or refusal without restricted titles.

## Data Generation Notice

- This is synthetic NexusOne Technologies data for local RAG, SQL, FAISS, and permission-filter testing.
- Do not replace this file with real company, employee, customer, vendor, financial, HR, security, or acquisition data.
