Summary

Restricted expense audit observations for fictional policy exceptions and reimbursement categories.

Audit Themes

- Most exceptions involved missing receipts, late internet claims, and unapproved software subscriptions.
- A small set of home office monitor claims lacked manager approval before purchase.

Corrective Actions

- Finance will update claim prompts and require manager approval evidence for monitor reimbursement.
- Repeat exceptions are escalated to the Finance lead.

Access

- Employees can see public expense rules but not audit notes, exception patterns, or restricted category analysis.
