Summary

HR restricted playbook for payroll disputes, legal review, employee relations, and sensitive escalation.

Payroll Disputes

- HR owns employee communication and validates the employee record before Finance review.
- Only payroll-relevant facts should be shared with Finance.

Legal Review

- Legal review is required for threats of litigation, discrimination allegations, executive employee issues, and regulatory notices.
- Use the fictional external counsel placeholder in test data only.

Employee Relations

- Sensitive case notes must stay in the HR case record and must not appear in general ticket summaries.

Data Generation Notice

- This is synthetic NexusOne Technologies data for local RAG, SQL, FAISS, and permission-filter testing.
- Do not replace this file with real company, employee, customer, vendor, financial, HR, security, or acquisition data.
