Summary

HR restricted SOP for prioritizing payroll, leave, benefits, HRIS, and employee relations tickets.

Priority Rules

- Employee relations and payroll-blocking issues receive priority review.
- Routine HRIS corrections and benefit clarifications follow standard SLA.

Assignment

- Tickets are assigned based on category, region, and sensitivity.
- Sensitive tickets must not expose details in manager-visible summaries.

SLA

- Payroll issues target three working days. Employee relations tickets target one working day for first response.

Data Generation Notice
