Summary

Manager operating guide for reviews, leave approval, team rituals, and basic people responsibilities.

Manager Responsibilities

- Managers own team planning, performance feedback, leave coordination, and first-level employee support.
- Managers must use HRIS and Jira rather than private notes for official workflow decisions.

Leave And Reviews

- Managers approve leave based on coverage and handover quality while HR validates policy eligibility.
- Performance reviews should include evidence, examples, outcomes, and development support.

Team Rituals

- Teams should maintain weekly planning, blocker review, and monthly goal check-ins.
- Sensitive HR issues must be routed to HR and not discussed in open team channels.

Data Generation Notice

- This is synthetic NexusOne Technologies data for local RAG, SQL, FAISS, and permission-filter testing.
