Summary

Restricted manager and HR guide for starting and documenting a performance improvement plan.

When A PIP Can Start

- A PIP can begin only after documented feedback, manager review, and HR consultation.
- The plan must describe expected outcomes, support available, check-in cadence, and evaluation date.

Documentation

- Managers must include evidence from work output, role expectations, and prior feedback.
- Do not include medical assumptions, protected personal details, or unsupported claims.

HR Review

- HR reviews the plan before employee delivery and keeps the official case record in HR systems.

Data Generation Notice

- This is synthetic NexusOne Technologies data for local RAG, SQL, FAISS, and permission-filter testing.
- Do not replace this file with real company, employee, customer, vendor, financial, HR, security, or acquisition data.
