Summary

Employee-facing handbook covering probation, conduct, work hours, payroll expectations, holidays, and approved internal tools.

Probation And Conduct

- Standard probation is ninety calendar days unless the employment contract says otherwise.
- Employees are expected to follow the code of conduct, protect company information, and use approved company tools for company work.
- Policy questions should be sent to HR through the HR ticket queue.

Work Hours And Payroll

- Core collaboration hours are 11:00 to 16:00 in the employee’s primary office timezone.
- Payroll is processed monthly using the regional cutoff published by HR.
- Employees must keep HRIS profile, bank, tax, and emergency contact details current.

Internal Tools

- Slack, Jira, HRIS, the Finance Portal, and the Admin Portal are available to all active employees.
- GitHub and AWS require additional approval because they can expose source code or production systems.

Data Generation Notice

- This is synthetic NexusOne Technologies data for local RAG, SQL, FAISS, and permission-filter testing.
- Do not replace this file with real company, employee, customer, vendor, financial, HR, security, or acquisition data.
