Summary

Employee-facing expense rules for meals, internet reimbursement, travel approval, and home office equipment.

Claim Requirements

- Every claim must include receipt, date, merchant, amount, category, and business purpose.
- Claims should be submitted in the Finance Portal before the monthly cutoff.

Common Limits

- Internet reimbursement is monthly and capped by employee region.
- Business meals require attendee count and business purpose.
- Home office monitors require manager approval before purchase and are capped at the local equivalent of USD 220.

Denials

- Finance may deny duplicate claims, missing receipts, personal subscriptions, unapproved

software, or late claims after repeated correction requests.
