Summary

Hybrid and remote work expectations for employees across NexusOne regions.

Hybrid Expectations

- Employees assigned to an office should attend team anchor days when requested by their manager.
- Remote employees must keep a reliable internet connection and a secure workspace.

Work From Abroad

- Work-from-abroad requests must be submitted before travel and include destination, dates, business reason, and coverage plan.
- Approval does not override tax, immigration, customer data, or security restrictions.

Equipment

- Company laptops remain NexusOne property and must use the security agent.
- Home office monitor reimbursement follows the Finance expense policy and requires manager approval before purchase.

Data Generation Notice

- This is synthetic NexusOne Technologies data for local RAG, SQL, FAISS, and permission-filter testing.
